DAY 1

SINGAPORE ✈️ CHIANG RAI 🚗 CHIANG MAI (Meals on Board, Khantoke Dinner)

Assemble at Singapore Changi Airport where you will board a direct charter flight to northern Thailand's city – **Chiang Rai** by Silkair. Upon arrival, meet and greet by our friendly local representative, en route to Chiang Mai. Firstly, visit **Mae Kajan Hot Spring** before going to **Wat Rong Khun**, one of the seven wonders in Thailand. The style of this contemporary and exceptionally white temple in Thailand is different from all other temples in Thailand. Temples in Thailand are generally celebrated for their architectural splendour for several hundred years. The Wat Rong Khun Temple is a modern architecture and a lifetime project of artist Chalermchai Kositpipat. The temple, with a fine blend of traditional Buddhist art with contemporary themes, is almost entirely white with no other colours used at all. It is decorated with small pieces of mirrored glass mosaics embedded in white plaster, adding to the temple's spacious and airy view. At Chiang Mai enjoy the city tour to **Three King Monument, City Moat** and **Wat Chedi Luang**. Tonight, tuck in to the sumptuous **Khantoke Dinner**, Chiang Mai's signature northern meal. The northern khantoke dinner consists of an enticing array of small dishes presented for an individual's dining. Experience the culture through the Lanna-Style performance which will keep you entertained throughout dinner. After the feast, proceed to **Chiang Mai Night Bazaar** for some fun and shop for souvenirs.

*If the flight arrived at Chiang Mai, Mae Kajan Hot Spring and Wat Rong Khun will be shifted to Day 4

DAY 2

CHIANG MAI

(Breakfast, Lunch, Dinner)

After breakfast, start the day with a visit to the **Elephant Training Camp**, also known as an Elephant School. Learn how the giant elephants are trained to help locals transport timbers and logs. If you are lucky, you may catch sight of elephants taking their bath in the river. Take an exclusive ride on the elephants to tour the open plains, go bamboo rafting, as well as ride on a bullock cart for some laid-back and carefree leisure. Thereafter, visit the **Hill-Tribe Village of Longneck Karens**. Next, proceed to **Chiang Mai's famous handicraft village** where exquisite umbrellas, Thai silks, silverwares, wooden sculpture and porcelains etc are produced. You may purchase some of these handicrafts at modest prices for memorabilia. Today's itinerary will also include **visits to shops or factories** producing candied fruits, candies, leather products, precious stones and artistic hand-drawn umbrellas. After dinner, experience the **release of Water Lanterns** (one lantern per person) – subject to weather conditions.
